

2018 Faculty Grant for Scholarly Pursuits

Mission

The Coalition:

- is formally organized to support hospital associated schools and colleges of nursing in their efforts to prepare licensed nurses to meet the health care needs of society.
- membership represents hospital associated schools and colleges of nursing.
- shall monitor and respond to state and national issues impacting nursing education.
- provides an effective communication network for its membership.

Goals

- Increase national membership
- Provide innovative, timely nursing education programs
- Communicate political issues which impact nursing education
- Implement marketing strategies to increase the visibility of the organization
- Recognize excellence in nursing education

Eligibility Requirements

Faculty Grant Application for Scholarly Pursuits - One Grant of \$1,000 is available. Applicant must be a faculty member at one of the member schools, an individual member and either enrolled in a graduate program related to nursing, taking a course(s) related to nursing education, conducting a research study related to nursing education or attending a professional meeting related to nursing education.
