

December, 2018

Dear Faculty Member,

We would like to invite to become a member of The National Coalition of Hospital Associated Schools and Colleges of Nursing. In existence for over 30 years, the purpose is to bring together the hospital associated schools of nursing to form a common bond in addressing quality educational preparation for the practice of professional nursing. As the official organization representing hospital-affiliated schools of nursing, nursing faculty and individual registered nurses, NCHASCN provides an important venue for collaboration among professional nurses and nursing faculty to address trends and issues impacting nursing practice and education.

NCHASCN supports multiple levels of entry into professional nursing practice. Therefore, we are extending an invitation welcoming nursing faculty from all nursing program levels to join the organization as individual members. It is important for the members to continue to work together.

The Coalition continues to work for our members and member schools of nursing. Some of the ongoing activities include Association representation and active participation in state and national organizations, monitoring activities that impact health care issues and nursing education, and exploring opportunities for affiliation agreements with colleagues and universities for BSN completion.

As a member of the NCHASCN, you are invited to attend Annual Meetings, Educational Workshops and conference calls throughout the year. Here you can share your ideas regarding nursing education and practice with representatives from all levels of nursing education programs.

Your membership and participation help support these efforts. It provides you with high quality continuing education programs and contact hours at a nominal cost, and an opportunity to network and collaborate with other faculty members.

We invite you to access the newly revised NCHASCN website at www.NCHASCN.org for organization information, membership application, educational programs dates and more. In addition, the President of NCHASCN will provide a brief update to members prior to the beginning of each annual meeting and educational workshop.

Annual Membership:

- The Annual Individual Membership fee is \$20.00 per year (January to December)
 - New Membership and renewal fees are due by January 30, 2018
 - Please return the enclosed membership application and fee to:
-
- Make checks payable to NCHASCN

The Association is here to serve you and welcomes your suggestions. We look forward to your membership and your active participation in upcoming NCHASCN sponsored events. Enclosed is your membership application for January 1, 2019 through December 31, 2019.

Sincerely,

Melissa Hassan MSN, RN

Melissa Hassan MSN, RN
NCHASCN President
